

Manufacturer’s Certification Statement

Extension of the Energy Policy Act of 2005 for the Taxable Years of 2009-2010

Central Fiber Corporation certifies the insulation products listed below are “Eligible Building Envelope Components.” These products qualify for the Federal Tax Credit under section 25C of the Energy Policy Act of 2005.

Central Fiber Product Description

XCell—Cellulose Insulation--30 lb

44 CLEAN—Cellulose Insulation—28.8 lb

30 CLEAN—Cellulose Insulation—19.2 lb

*See Xcell or Clean Lifetime Warrantee Certificate for warrantee details.

The Energy Policy Act of 2005 provides a tax credit for 2009 – 2010 taxable years in an amount equal to thirty percent (30%) of the amount paid by the taxpayer for qualified energy efficiency improvements up to \$1500. The credit applies to property placed in service between January 1, 2009 and December 31, 2010.

A taxpayer is not required to attach this certification statement to the return on which the credit is claimed. Income tax regulations require taxpayers maintain records sufficient to establish the entitlement to any credit claimed. This certification statement and installation instructions are provided in printable form on the www.centralfiber.com website.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Craig Shultz, Chief Operations Officer

Central Fiber Corporation (CFC) does not provide services for architectural, inspection or engineering work. CFC disclaims any responsibility with respect thereto. CFC does not guarantee, warrant or attempt to determine whether a building structure, design or the use of materials therein complies with any applicable codes, standards, guidelines or standards of workmanship. The user maintains the full and complete responsibility to comply with all codes, laws and regulations applicable to the safe and proper use, handling and installation of the product and should consult with an architect and/or engineer for all construction and design related questions.
